RE: Request for More Information for Amended 30-day Post General Election Report
(10/19/2000-11/27/2000) and Amended Year End Report (11/28/2000-12/31/2000), both dated
7/20/2001

I offer my apologies for the delay in responding to this request. I had hoped to file this upon the timely receipt and review of the Treasurer's records from the previous Treasurer. As of this date, I have not received the Records from the previous Treasurer. Additionally, as the Form 1 sent to you on October 19 appears to still be held in a DC area postal facility that was affected by the anthrax attacks, your notice in this matter has only recently been received. The information in this report is based on information provided by the previous Treasurer.

Attached is an amended FEC Form 3X Report of Receipts and Disbursements, 2000 Year End Report 2000 covering the period November 28, 2000 through December 31, 2000. According to the previous Treasurer, a Schedule D was incorrectly completed and unnecessarily included in that filing. A corrected Schedule D has been completed and is included.

As above, if upon receipt and review of the Treasurer's records currently still possessed by the previous Treasurer, I should find that any further corrections are required, I shall file those in a timely manner.

Thank you,

Daniel J Charles
Treasurer, Reform Party of the United States of America
